WHEREAS, the State has failed in March 2016 to pass the NY DREAM Act that would extend TAP to undocumented students; and

WHEREAS, the TAP program does not take into account the cost of living per county, nor other rising costs, like textbook prices, transportation fees, daily meals, and supplies; and

WHEREAS, the cost of living in New York City has risen about 23% from 2009 to 2014; and

WHEREAS, in the 2015-2016 academic year, CUNY estimated that students living at home would spend approximately \$9,592 in books, transportation, and living expenses, while students not living at home would spend approximately \$20,295 on such expenses; and<sup>7</sup>

WHEREAS, the 2014 Student Experience Survey also indicated that 54% of all CUNY students live in households with a household income less than \$29,999, with 65% of community college students living in these households; and<sup>8</sup>

WHEREAS, 75% of students are of color, 42% are first generation college students, 38% were born outside the U.S. mainland, 15% are raising children, and 53% are working for pay; and<sup>9</sup>

WHEREAS, the rising tuition and expenses, stagnant financial aid assistance, insufficient state funding, and the prevalence of low-wage jobs undermine the affordability and stymies the accessibility to higher education and the advancement of a highly-educated and skilled workforce; therefore be it

RESOLVED, that the Doctoral Students' Council hereby expressly continues to reject any extension of the "Rational" Tuition Plan or increases in tuition; and, be it further

RESOLVED, that the Doctoral Students' Council calls for a continuation of the freeze on tuition increases at the current 2016-2017 rates; and, be it

FINALLY RESOLVED, that the Doctoral Students' Council demands the State Legislature and Governor Andrew M. Cuomo adequately fund the increasing mandatory cost within CUNY as part of the maintenance of effort.
