

# SAMPLE MODELS FOR PROGRAM STUDENT ASSOCIATIONS

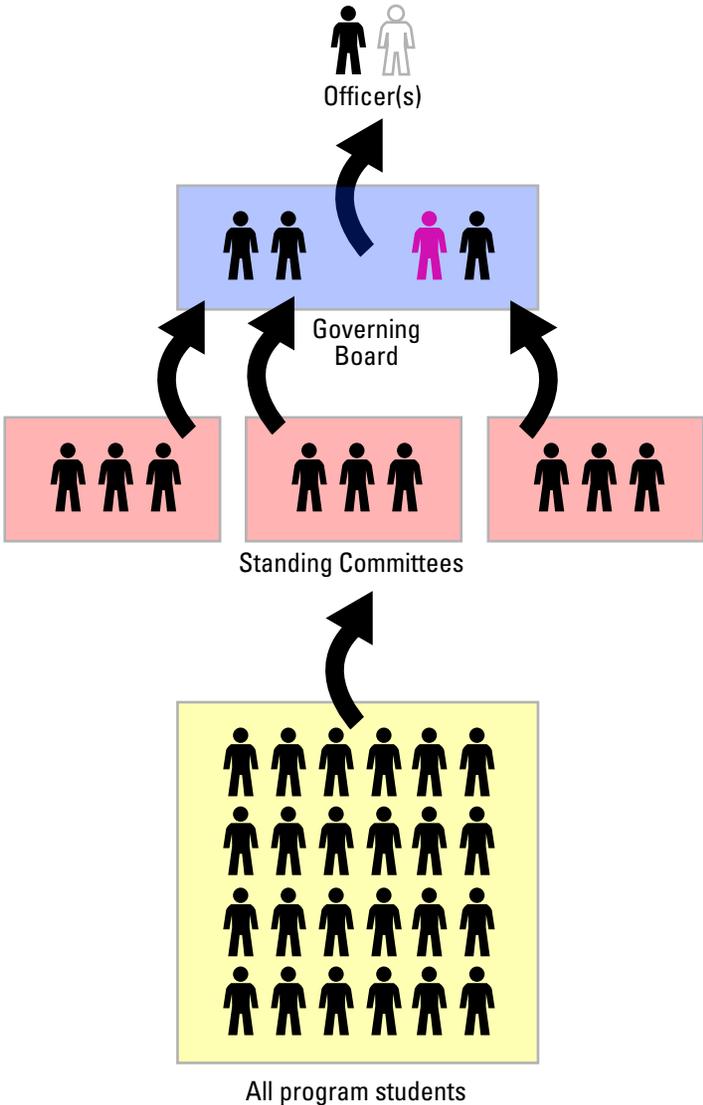

## 1. A DIRECT DEMOCRACY

All students in the program, including the DSC Program Representative(s), are voting members of the program student association and elect one or more officer(s) to perform their executive functions.

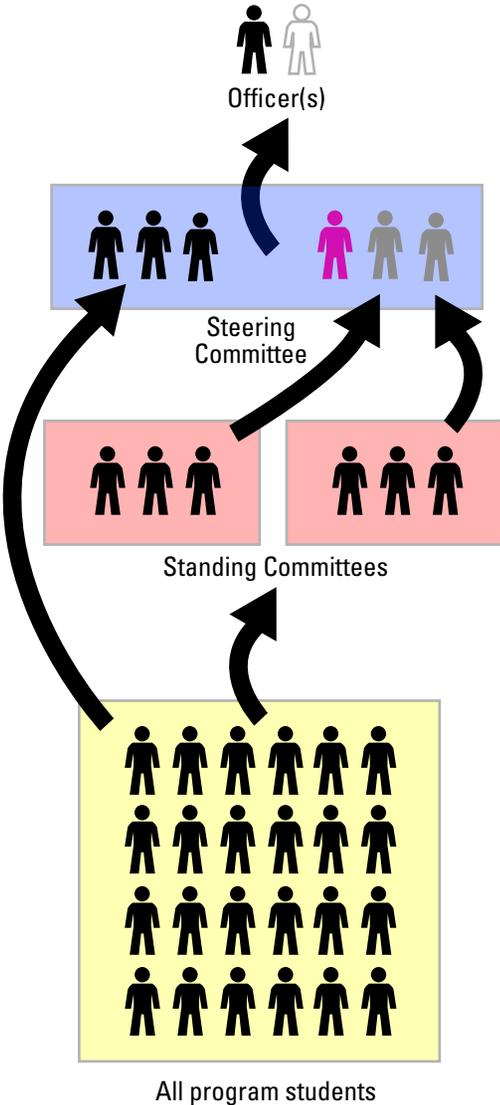

## 2. A GOVERNING BOARD

All students in the program elect representatives to each of the program standing committees, which in turn send one delegate to the governing board, which includes at least one DSC Program Representative. The board elects one or more officer(s) from among its own members.

## 3. A FEDERATION OF COMMITTEES

All students in the program elect representatives to each of the program standing committees and a central student steering committee, which includes at least one DSC Program Representative. The steering committee includes non-voting representatives from each of the standing committees. The steering committee elects one or more officer(s) from among its voting members.
